## TO THE MERCHANTS OF THE SOUTH AND SOUTHWEST.

WE, the undersigned, merchants of the city of Charleston, S. C., encouraged by the increased patronage received last Spring, and by the assurance that they have reached us from all sections of the South and Southwest, that our goods have compared advantageously, and competed successfully, with those bought in New York and other Northern cities, and believing that being found faithful to the pledges made in our former card, we will receive still greater patronage, have prepared ourselves for a largely increased Fall business.

Our Importers and Jobbers of Foreign Merchandise have all been represented in the markets of Europe, this Spring and Summer, either by members of their respective firms, or by agents fully competent to select goods for the Southern trade. They have bought for cash, or its equivalent, and their selections will form full and attractive stocks for the inspection of the interior merchants. Our facilities for obtaining Domestic Goods direct from the manufacturers, are unsurpassed by the merchants of any city in the Union.

We, therefore, confidently invite you to inspect our FALL STOCKS OF FOREIGN AND DOMESTIC GOODS, feeling assured that all who may do so, without prejudice, will make their purchases in this market. Our stocks will be complete early in August, when we will be pleased to receive the visits of our old and new mercantile friends.

**PLOWING MADE EASY**  
For the Man and Light for the Horse.  
I HAVE recently purchased the Right, for Pickens District, of the Adams & Co.'s celebrated Patent Plow Stock. This plow stock is of Georgia invention, and is being used, generally, amongst the best planters of that State. It is the common stock, with concave Foot and Rod and Heel-pin combined in one; and the different plows are attached to the Stock upon the principle of that of attaching the bayonet to the gun. The Stock, when made of ash, weighs 12 pounds; made of white-oak, 10 pounds.

I consider it far superior to any Stock I have ever seen, chiefly on account of its combination of lightness and strength. I will soon commence making them, and will deposit them at the different places of resort in the District. I will sell Plantation Rights for \$1.25 each. To persons who only work one horse I will sell the Right for 75 cents.

I will send a specimen Stock to Pickens C. H., Pickensville, Wallhalla and Pendleton, in a few days.
